

PARENTS MEETING

On **23rd April 2008** there was a meeting with parents (200 parents) of the students in our schools at **The Dhaka Project**. This is a fundamental work to provide an important contribution to better the environment and the mutual relations among family members

Here are the subject matters discussed:

- A) Education system
- B) Grooming for children
- C) How to behave with family members
- D) Make them aware about Dhaka Project and social responsibility.
