

## Welcome

The Dhaka Project is an organization which provides free education, health care and community support for nearly **500 children** from the slums of Dhaka. The project is run entirely on donations. Please visit [our website](#) for more information.

**GOODS DISTRIBUTION:** On the 20th of June, **Maria, Sharon and Ibrahim** decided to distribute away some goods that they bought for The Dhaka Project. The huge hearted distributors spent a massive total of about 501,088.00 BDT or 7,200.00 USD in buying goods and commodities for the children and also arranging some repair work to be taken place in the EK School. They were intent on showing their love and kindness towards The Dhaka Project and all its children and so, they brought a little something for everyone. The "little something" included rice, sterilac baby meal, Nido milk, baby beds and diapers along with toothpastes, toothbrushes, soaps, shoes and tailor made clothes. [Read More .....](#)

**EK REPORT CARD:** The EK exam report cards were given out on the 5th of July. As expected, all the teachers and students were keenly anticipating what the day would bring. The event was a very special one as it was quite an achievement for the poverty led children to be actually getting something out completely based on the education that they received from The Dhaka Project, its teachers and its volunteers. A lot of effort had gone into arranging such a program to distribute the results. But it did not end there. Not only did the teaching staff distribute the results but they also spent ample time with individual parent, explaining to them what result their child had achieved and advising them about what they could do to help their child. **EK AIR CREW KEEP DRESSING OUR CHILDREN:** The Dhaka Project kept being helped thanks to the coordination of Cristiana and the cooperation given by many flight members who have flown to Dhaka in June. This continuous work provides all sort of items to be available to our children and their parents,... *shirts, trousers, ladies' clothes, jackets, boys' clothes, girls' clothes, babys' clothes & bibs, adults clothes, flip-flops, kids shoes & socks, t-shirts, pants, bags & backpacks, books & pencils, shampoo & conditioners, shower gel, body lotion, shavers, soap*, etc. previously donated by the kind people in Dubai. A few crew members also took their own donations. [Read More .....](#)

**SHOES DISTRIBUTION:** A few days back The Dhaka Project managed to proceed to the very successful distribution of the huge donation come from **Shoe Mart** in Dubai. The first worry, after realising how lucky we had been when getting this surprising and impressing gift, was how to carry so many shoes to Dhaka once they should be safely routed to their target, the children, being a complicated logistics task to get all there, parcel by parcel, through volunteers or flight crew members who volunteered to do it. **GARAGE SALE:** A fundraising event was held on the 22<sup>nd</sup> of June. It was a garage sale being conducted by Ibrahim. Earlier, Maria and Sharon had brought with them some clothes for The Dhaka Project when they flew into Dhaka. As they left early, Ibrahim decided to sell those clothes and use it to raise some money for The Dhaka Project. The clothes were sold to the parent's of the community by Ibrahim. A total of 7,000.00 BDT was raised from the garage sale. Not only was the garage sale benefiting for us but also for the parent's and the children who hardly get to buy such clothes due to their poor financial state. [Read More .....](#)
