New room for TDPS Computer Laboratory

TDPS Computer Lab was shifted to a new big room on the 1st floor to accommodate new 15 LCD computers donated by Brummer & Partners. A total number of 30 computers including 15 Desktop computers will provide every student a chance to operate a computer in their computer learning classes. All computers were connected with internet facilities on 22 March 2010. The students will avail facilities of international standard in this new Computer Lab. Now a days the whole world is linked with internet facilities and so is our children who are the most poor and disadvantaged living in the slums of Dhaka, Bangladesh.
