### Happy Birth Day to Maria

23<sup>rd</sup> May 2011 was Maria's Happy Birth Day.

Six years ago she dreamt of establishing The Dhaka Project School (TDPS) where the slum kids will have a standard education, food and Medicare.

Her dream came true in April 2005 with 40 Slum kids. Now there are 470 Slum kids benefitting from the project.

The students of Day Care, Play Group and Higher Grades wishes Maria A Happy Birth Day.

### First Term Report Card Day at Dhaka Project School

19<sup>th</sup> May 2011, It was the First Term Report Card Day of The Dhaka Project School (TDPS). The class teachers distributed Report Cards among the students from 10:00 AM. Report/ Progress Cards printed on Red Art Papers were introduced from this year. The students used to get computer printed Result Sheets before. It is also compulsory for the parents to be present at School during the report card distribution. All students along with their parents seemed to be present. Students were advised to do even better in the up coming examination. Parents were advised to take proper care of the weaker students.

Some students were cautioned for getting poor grades. The teachers were pleased with the students securing higher grades in the exam. The Play Group Kids are the smallest kids to appear in Examination.

### New Tooth for Ratan

Ratan, age 12, a student of Grade 5, Section-A of The Dhaka Project School broke his teeth while playing with his friends- a few months ago. He visited Dr. Amirul Islam, Dentist of TDPS HealthCare in April. An X-ray was completed of the Tooth and the Root canal process began. After few weeks of treatment he was given a Crown/ Cap on this broken tooth for a better appearance and smile. We can see the difference of before and after. Ratan is very happy with his new look. Thanks to Dr. Amirul Islam for his hard work.
