Guitar Course for Dhaka Project School

Sujon & Bilkis, Ex- Dhaka Project students, came to Dhaka from Taaleem School, Mohaisna, Dubai on vacation. They had a course on Guitar at Center for Music, Golden Diamond Park, Dubai. It was Sujon's idea to teach the students of Dhaka Project how to play a Guitar during the vacation. They brought 3 Guitars donated by Dina from Dubai. Sujon & Bilkis taught 10 students most of them studying in Grade-8, one in Grade-5 & 9. The Guitars were received by Shafiqur Rahman Jewel (Volunteer Manager). They faced a lot of trouble teaching the students and also had an enjoyable experience too. Among the Guitars 2 are Classical and 1 is Acoustic. Classical Guitars are for elementary, after that they will play Acoustic Guitar and finally Electric Guitar. The 15 day long course on How to play a Guitar on the month of August was very enjoyable and also memorable. A Big Thank you to Sujon & Bilkis and also to Dina.
