**Family lives on begging:** Sabbir's family is one of the most poorest family in the area. Sabbir is a KG 1 student of RSFTDP School. Father is a handicap and lives on begging. Mother seldom makes paper bags for local shops. Living in a Slum built on a land owners land with no Water & Sanitation, Electricity and Gas. The happy faces of a four family member eradicates the hardship and poverty they embraced. Sabbir is sponsored by David, a pilot of Emirates Airlines from UK.
