

The Dhaka Project

To break the cycle of poverty in slums of Dhaka through education and social development

Registration No: C-645 (33)/06
A program of [Rural Services Foundation](#)

Newsletter, December 2011

Welcome

We have been trying to give quality education to these 500 slum children aging from 1 year to 15 years to bring emancipation from an environment for individuals delivering their full potential. We believe Education is the most powerful weapon which we can use to change the world.

“Shomapony” & Junior School Certificate Exam 2011

RSF Dhaka School & College achieved 100% passing rate in “Shomapony” & Junior School Certificate Exam 2011. The results were published on 26 December 2011 with 97% passing rate nationwide. The Examinations were held under The Directorate of Primary Education. 64 students of RSF Dhaka School & College appeared in the Examinations. New session starts from 1st January 2012.

Medical & Dental Camp -2011

The Second Medical & Dental Camp of 2011 for the underprivileged community people and parents of the students of RSF Dhaka School & College was held on 14 December. 300 patients received free primary treatment and free medicine.

The Camp was jointly sponsored by RSF-The Dhaka Project, ZWEI (Australia), Incepta Pharmaceutical, Pacific Pharmaceuticals, Bhalo and Green Pharma. Dr. Mariana Galrao (Portugal) also supported the Medical Camp.

Five students of RSF Dhaka School & College volunteered along with Dr. Jahid Hossain, Dr. Fatema Alam, Dr. Golam Fahad Bhuiyan, Volunteer Ferre Van Dyck, Dr. Md. Habibur Rahman, Dr. Sara Sabrina, Dr. Marufa & Dr. Md. Amirul Islam in the Camp.

Let's Clean Bangladesh

200 Students of RSF Dhaka School & College volunteered to clean-up the roads near Gawair. Students collected scattered garbage from roads. With a motto to raise awareness among the local people to keep their surroundings clean this program is run regularly.

Community Welfare

To control the spread of mosquito born diseases like malaria, dengue liquid Anti Mosquito Spray was used on small ditches and piled up garbage by RSF—The Dhaka Project.
