

The Dhaka Project

To break the cycle of poverty in slums of Dhaka through education and social development

Registration No: C-645 (33)/06
A program of [Rural Services Foundation](#)

Newsletter, January 2012

Welcome

We have been trying to give quality education to these 500 slum children aging from 1 year to 15 years to bring emancipation from an environment for individuals delivering their full potential. We believe Education is the most powerful weapon which we can use to change the world.

New Text Books

New Text books of National Curriculum and Text-book Board (NCTB) were distributed among the students of all classes. "in a festive mood." This year RSF Dhaka Project School achieved 100% passing rate in "Shomaponi" (Primary Completion Exam 2011) and in JSC (Junior School Certificate Exam 2011).
